

Railroad Grade Crossing Collision (GCCCI)

FFY-2011 (October 1, 2010 thru September 30, 2011)

Course Dates and Host Department Locations:

January 12-13 (2011): Augusta/Grovetown (Richmond County)
February 24-25: Dalton Regional Academy (Course #L07A11017)
March 9-10: Oakwood Police Department (Hall County)
March TBA: Brunswick (Glynn County)
April 20-21: Hall County, Oakwood PD
May 25-26: NCGLEA (Cobb County)

This course is intended for law enforcement, fire, and EMS and is designed to bring a clearer understanding to first responders the difficulties associated with investigating highway-rail grade crossing collisions. It also provides unique information needed to complete a thorough investigation. Students will spend time in the classroom as well as time on the train for 'hands-on' application. The course is sponsored by the Governor's Office of Highway Safety and Operation Lifesaver with cooperation of Norfolk Southern and CSX Railroads. There is no cost for the training and it is POST certified.
